### SUBSTITUTION PROCESS

Substitutions will be taken from **13 August to 13 September**. This process has been subjected to misuse in the past. It is in the best interests of all parties to follow due process. By failing to do so the entrant puts themself at an unnecessary risk. Insurance cover of the participant may be repudiated in case of accident and / or injury. The organisers could also be put at undue risk as far as 3<sup>rd</sup> party liability cover goes, amongst others.

No upgrades or downgrades can be accommodated in this process. Ignoring this rule and doing as you please could corrupt the results. This may also see you barred from future events. It could also jeopardize your "loyalty entry" status to the 2019 event as incorrect info may be on record.

At this stage we are also cautioning all to note that there **MOST DEFINITELY WILL NOT BE ANY LATE SUBSTITUTIONS ENTERTAINED AT REGISTRATION ON THE FRIDAY EVENING.**

The organisers cannot get involved in matching potential substitute entrants with those ticket holders willing to offer their entry up for substitution. The new entrant will pay the entry fee of R275 inclusive of the substitute fee, regardless of the distance. The temporary license fee is R35 if the new entrant is not a licensed runner. Any other payment to the current ticket holder is a private arrangement between the two parties.

**We trust that we can rely on the co-operation of all in this matter.**

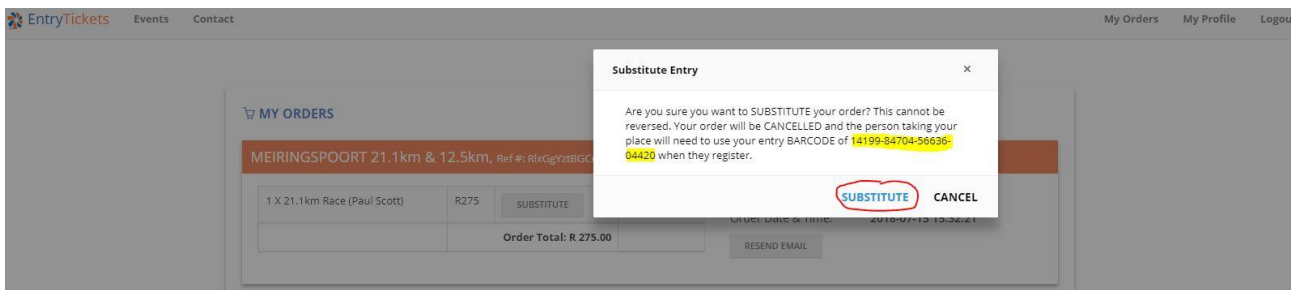

## Process

1. The ticket holder willing to offer their entry for substitution goes to <https://entrytickets.net/orders> and finds their Meiringspoort entry by logging in using the same email address and password as upon entering. They click on the “Substitute” button as per the screen shot – Step 1.

2. They must be sure that they want to substitute – there can be no un-substituting. If sure, then click on “Substitute” as per screen shot – Step 2

3. They will then see attached screen shot – Step 3. The person taking over their entry needs the barcode number (looks like “14199-84704-56636-04420”) which they will enter on the entry page.

## RUN CLEAN CAMPAIGN

This is an earnest appeal to all participants.

**Modern Athlete's #runclean Campaign** is part of a growing effort to stop runners littering during races. This problem has become one of the most prominent talking points in South African running circles.

**East Rand Plastics** will again be providing their **Garbie** cardboard bins and plastic bin liners. These will be placed at the start and finish venues, along the route at various km markers and beyond each waterpoint.

**PLEASE HELP US TO KEEP MEIRINGSPOORT CLEAN. THINK BEFORE YOU THROW. - #RUNCLEAN**

## ENTRY CONFIRMATIONS

We regularly receive calls and mails from entrants seeking confirmation of their entries. The process is set up as follows. The person doing the entry/ies receives an email on successful completion and payment of the order. This email is despatched to the email address used at the time of logging in to enter. This "Confirmation of Payment" email contains a link on it. By clicking on the link (entrytickets.net/orders) you will be directed to the relevant website where you will be able to "View" all the orders done under your respective profile. This will save you and us time and effort. Please try it out. If still in doubt then call Des on 083 309 8732.
